

# eBooks and audiobooks for Kindle Fire / Fire HD

You can use OverDrive's mobile app to borrow, read, and listen to library eBooks and audiobooks on your Kindle Fire or Fire HD.

## Step 1

Download the OverDrive Media Console (OMC) app from the Amazon Appstore.

## Step 2

In OMC, tap the ⊕ icon (or go to Menu > Get Books), then tap  to find and open your OverDrive library website.

- Tap the star to save your OverDrive library website to your library list.
- Tap your library's name to start browsing.

## Step 3

Log into your OverDrive library website with your library card and borrow a book.

## Step 4

Find borrowed books on the Bookshelf under your account. You can:

- Download Kindle Books to your device.
- Tap Read to open eBooks right in your browser.
- Download EPUB eBooks\* and MP3 audiobooks to the Bookshelf in OMC.

\*Note: To read eBooks in OMC, follow the prompts to authorize your device with an Adobe ID. It's a one-time, free process that takes just moments to complete.
